Capability Statement

---

**Core Competencies**

G2 Contractors, LLC specializes in projects within the rural southwest with emphasis in facility construction for state and national parks as well as state and federally governed forests. G2 works with like-minded customers who desire a reputable contractor. G2 is an Economically Disadvantaged Woman Owned Small Business in the state of Texas performing general contractor duties within the Construction Management, Construction, IDIQ and JOC/Maintenance arenas. G2 Contractors, LLC is the contractor that likes to work in remote areas others don't desire to go.

**Executive Management**

Heather McGlasson, Owner / Operations Manager

Mrs. McGlasson received her MBA from University of Maryland, and has over 19 years of industry experience working for some of the largest GCs in the industry. Heather is an active member with the local Emergency Response Team, Chamber of Commerce, Lions Club and enjoys the outdoors.

Jamison McGlasson, Owner / Project Executive

Mr. McGlasson has a Construction Science degree from Texas A&M, over 18 years in the industry, and has been managing the construction of a variety of building and project types for satisfied clients all over the country. Jamison is actively involved with emergency services and wildland incidents, while overseeing G2's Zero-Incident safety program.
