

G2 CONTRACTORS

Capability Statement

Core Competencies

G2 Contractors, LLC specializes in projects within the rural southwest with emphasis in facility improvements for state and national parks as well as state and federally governed forests. G2 works with like-minded customers who desire a reputable contractor. G2 is an Economically Disadvantaged Woman Owned Small Business performing general contractor services within the Construction Management, Construction, IDIQ and JOC/Maintenance arenas. G2 Contractors, LLC is the contractor that likes to work in remote areas others don't desire to go.

Executive Management

Heather McGlasson, Owner / Operations Manager

Mrs. McGlasson received her MBA from University of Maryland, and has over 19 years of industry experience working for some of the largest GCs in the industry. Heather is an active member with the local Emergency Response Team, Professional Women's Network, Rotary Club and enjoys the outdoors.

Jamison McGlasson, Owner / Project Executive

Mr. McGlasson has a Construction Science degree from Texas A&M, over 17 years in the industry, and has been managing the construction of a variety of building and project types for satisfied clients all over the country. Jamison is involved with emergency services and wildland incidents as a hobby, but his main concern is ensuring customer satisfaction for those clients we serve.
