

Capability Statement

Core Competencies

G2 Contractors, LLC specializes in projects within the rural southwest with emphasis in facility improvements for state and national land management agencies. G2 works with like-minded customers who desire a reputable contractor. G2 is an Woman Owned Small Business performing general contractor services within the Construction Management, Construction, IDIQ and JOC/Maintenance arenas. G2 Contractors, LLC is the contractor that likes to work in remote areas others don't desire to go.

Executive Management

Heather McGlasson, Owner / Operations Manager

Mrs. McGlasson received her MBA from University of Maryland, and a Bachelors degree from Webster University in the Netherlands. She has over 20 years of industry experience working for some of the largest GCs in the industry. Heather is an active member with the Professional Women's Network, La Plata Economic Alliance, Durango High Noon Rotary Club, and currently serves on the Board of Mountain Middle School in Durango, CO.

Heather's passion for the outdoors and conservation is a key to the clients G2 works with.

Jamison McGlasson, Owner / Project Executive

Mr. McGlasson has a Construction Science degree from Texas A&M, over 20 years in the industry, and has been managing the construction of a variety of building and project types for satisfied clients all over the country. Jamison is actively involved with La Plata County Economic Alliance, Western Colorado Contractors Association, and Board Member of La Plata County Board of Appeals. His main concern is ensuring customer satisfaction for those clients we serve in remote areas. He currently holds a GB-98 Commercial Contractors License for State of New Mexico, Permanent Certificate #387567.
